Thank you for considering Lindon House

An elegant home-like atmosphere characterizes the Lindon House heritage venue. Guests arrive with a sense of anticipation on a red carpet that leads them to an experience from days gone by. As they proceed to the back gardens, they walk past the cute Lindon Guest House (a 1200 sq. ft. replica of the main house) and into the park-like lot that has been turned into a magical outdoor garden with majestic trees lining the property.

Weddings at Lindon House

Capacity: We host intimate garden weddings for up to 50 people.

Rental Fees: From \$4700 plus 5% GST for a weekday wedding with up to 30 guests (2pm to 9pm); from \$7500 plus GST for our weekend wedding with up to 50 people. The weekend package includes arriving Friday from 4pm to drop off supplies and do a rehearsal of the ceremony. The property is available from 2pm Saturday for outdoor ceremony and reception to 10pm (last call at 9pm). All wedding supplies need to be removed by Sunday at 12 pm (noon). Note: The Covid-19 pandemic has required us to be flexible with various protocols. We may need to alter or cancel services to accommodate these issues.

Liquor Policy: You are allowed to bring in your own alcohol, beer, wine and coolers (a huge cost savings for you!). However, we do not allow hard liquor on the premises. Past unpleasant incidents were clearly linked to hard liquor service, which has prompted us to impose our “no hard liquor” policy.

Cancellation Policy: If you should need to cancel, deposits are non-refundable. However, if Lindon House has to cancel the event through unfortunate causes beyond our control (i.e. fire, flood, etc.), a full refund is given. To secure your date we require a 50% non-refundable deposit.

Wedding Planner: We highly recommend a wedding planner to allow you to focus on the wedding experience and not stress over details. We are happy to connect you with our wedding planner (her services are not included in our venue rental). She has very good connections with various suppliers that can save you hundreds of dollars.

Other Services: Caterers, DJs, musicians, photographers, wedding commissioners will all have their own agreements with you and will require attention right away as they book up just as fast as the venues. Once a deposit is made, we will share with you our list of preferred vendors – the best of the services we’ve witnessed at Lindon House over the years.

Let us show you Lindon House in person! Call us today for an appointment.

Thank you — Linda and Don
